

Central Board Minutes
September 24, 1946

The meeting was called to order by the president, Jerry Anderson, and the minutes of the June 12 and June 14 meetings were read and approved.

Anderson announced that there will be a meeting of the Freshman class in the Student Union Theater at 4:00 o'clock and wanted all Central Board representatives to be there.

Anderson stated that the motion passed at the June 14 meeting concerning the purchasing of land with student money was now void as the University was able to obtain the money without the help of the student body.

Anderson announced that the water development test on the golf course was not carried out as the company was unable to obtain enough casing for that deep of well. It may be finished later when more casing is obtainable.

Golder announced that Traditions Board was able to find a bear cub for the Grizzlies' mascot.

It was decided that Central Board would favor ^{that} all the men on the campus grow beards for Home Coming on a voluntary bases.
